

# GRG TECH TIMES

MAGAZINE FOR BUDDING ENGINEERS....

## Mission

The Polytechnic College aims to inculcate value-based technical education and mould the character of the younger generation enabling rural youth to fit into a wider world and pursue socially productive careers and meet the challenging needs of the industry, society and the country.

## Vision

To achieve a leading position in technical education and to impart quality education and competency based training by providing a conducive learning atmosphere to fulfill the need of the students especially from the rural areas.

## Commissioner's Visit

The Commissioner of the Directorate of Technical Education, Mr. Rajendra Ratnoo visited our college and gave his valuable suggestions. By quoting his words on our Institution, "Very happy to visit this institution, this is an excellent example of corporate social responsibility and Government Aided Institute. Best Wishes"

## Community Development through Polytechnic

### *General Awareness Programme*

Kalki Subramanian Founder / Director, Sahodari Foundation visited our Polytechnic and our extension centers and delivered a General Awareness Programme on 26.04.17. Quoting her speech, "What a day it was! I was invited to distribute course completion certificates to rural women and school dropout students who availed the CDTP (Community Development Through Polytechnic) courses like tailoring and embroidery, two wheeler

maintenance, laptop and mobile phone servicing, soft toy making, craft work and glass painting. I was astonished and proud to see the talent of these women and school dropout students, their dedication & their productivity skills. The principal and the faculties are doing a great job. I would like to replicate this

project for our transgender community too. I wish we could create a learning centre, a life skill vocational training centre like GRG that becomes a pathway to empower transgender community economically in India.”

### ***Certificate Distribution Ceremony***

To acknowledge the various training activities for women, Certificates were distributed to 181 trainees who had completed Tailoring Embroidery Course, Beautician & Hair Dressing at our various extension centres.

### **Faculty Programme**

Dr.Nithya Kalyani, HOD/Textile Processing and J.Vijaya Menaka, Lecturer/ICE attended an ‘Interactive Programme’ in ISO 29990-2010 organized by TUV-SUD on 25.06.17 at Park Avenue, Coimbatore.

### **Fresher’s Meet**

To welcome our future Engineers, the Fresher’s Day was conducted on 24.06.17.Dr.Punitha Ekambaram, Professor (Retd), Govt.Arts College, Coimbatore, was the Chief Guest of the day.

### **Orientation Programme**

Orientation Programme was conducted on 27.06.17 for the First Year Students to get the knowledge about the importances of Technical Education, opportunities and the latest updates of their domains in the industrial world.

## Counseling

Students attended counseling to choose their desired departments on 10.06.17.

## Skill Development Programme

Skill Development Programme for placement conducted by Mahindra Pride School from 12.06.17 to 17.06.17. Final year students of all domains attended the Programme

## Yoga Day

Yoga is not an exercise, but a soulful practice to unite the body and mind and it brings harmony too. To observe the importance of Yoga,

International Yoga Day was celebrated in our college on 21.06.17.

## Feedback- A Powerful Tool

### *Vinitha.S (1 year ICE)*

Why I chose this college???? My ambition is to become a Computer Engineer. I have strong faith in receiving best education in GRG with the better placement opportunities which helps me to earn enough to do my higher education and helps to lead a bright future.

## Guest Lecture-knowledge Enrichment
